INSPIRE YOUR TEAM

We encourage all guests to explore the rich history that Bristol Old Vic has to offer, a place where culture, heritage and creativity are brought to life and shared everyday. From the immersive 'Noises off' corridor on the 4th floor Gallery or exploring the 250 year history depicted across the Pit horseshoe wall, to looking through 'A Window to the Past' via our augmented reality experience. To make the most of your breaks, just ask your Event Manager or reception to point you in the right direction.
