

A young Black man with short, dark hair is sitting in a barber's chair, looking directly at the camera with a neutral expression. He is wearing a green, white, and grey horizontally striped polo shirt. A barber's hands are visible, one holding a comb and the other using electric clippers on the man's hair. The barber's left hand has a gold ring with a blue gemstone. In the background, there is a white wall with a shelf holding a purple spray bottle and a wooden comb. A pair of large, silver speakers is visible on the right side of the background.
