

THE PRODUCER FARM

Sunday 20th– Friday 25th June 2021 • Coombe Farm Studios, Dittisham, Devon

If you are a producer with 10–15 years experience and you want to make connections outside your existing network, renew your vitality and gain a wider perspective on your producing, this is for you.

'My advice for any producer thinking about coming, is to think hard about what aspect of your work you want to explore in depth and clearly articulate what your questions are, then together during the week we will try and answer them'.

Lara Lloyd, Coombe Farm Studios
