

Hello,

Thank you for your enquiry about bursary places for the Young Company.

Bristol Old Vic Young Company can award a limited number of bursaries to cover the cost of individuals who would otherwise find it difficult to participate in Young Company activities.

Although all applications for bursary places will be considered, we will initially prioritise applicants who are in receipt of free school meals, please note that we will contact your school to confirm this information.

Please complete the application form and return it to:

getinvolved@bristololdvic.org.uk or post it to: Bristol Old Vic Young Company, Bristol Old Vic, King Street, Bristol, BS1 4ED.

Please note that the bursary only covers the cost of your place in the Young Company and does not include travel.

In order to register to become a Young Company member, we need to ask for some information about parent(s) and child, so that we can make contact in an emergency, and look after your needs during Young Company sessions. No child under the age of 13 is allowed to provide their own data; parents must do this on their behalf.

Sometimes we ask for sensitive information, for example a child's medical requirements. Sensitive information is held securely and restricted to those who need it. We will delete sensitive information when we no longer need it.

We will contact you occasionally with details of other Young Company and Engagement activities. You can opt out of this at any time by contacting us. You have the control of your personal data held by us. If you would like to make any changes to your data you can contact us at any time.
