These Corporate Memberships have been designed with benefits available following the grand opening of our front of house, in autumn 2018. However, memberships are available straight away with a slight adaption of some of the offerings, which will be equally balanced. We also offer bespoke packages and welcome any discussion, at any budget level.

# We welcome discussion!

We look forward to partnership conversations and exploring ways for our two organisations to work together. If you would like further details or would like to discuss bespoke sponsorships, please contact:

*"Osborne Clarke shares hundreds of years of Bristol history with Bristol Old Vic and we have played many roles with the theatre over those centuries. Most recently we have been a founding corporate member and we have made bold decisions such as taking our clients to the wonderful and bawdy The Life and Times of Fanny Hill. We are delighted to still support Bristol Old Vic as it builds for the future with new public space and new productions"*
